Lieutenant.

Yours of to day reporting
the fact of Sergeant Fred. Bumpst Com p. S.
12 Mo being beastly drunk ~~has just~~
while on guard has just been received.
You will please hold him under arrest
and cause charges to be preferred against
him to have him tried at a general
Court Martial and properly punished.
There have been lately even field officers
of the day drunk while on duty and
the example seems to be contagious cer-
tainly will be so if no punishment is
dealt out to offenders with shoulder straps.

The order given by Lt. Schierenberg is disapproved
and Sergeant Ludwig Bumpf returned to

that Lt. Gryden cause charges to be preferred
against him, which of course will have
to be sent to me first, and will then be
speedily forwarded to proper Headquarters.

Jefferson City, Mo. - 27th Sept 1861
Major General Fremont

General

I am extremely anxious, as I have heretofore lately informed you, to have Ordnance Sergeant, John Pound, U. S. Army, appointed to a position in the "Baze Regiment" of Missouri Volunteers. He was temporarily assigned to this post by Colonel Jeff. C. Davis and is now acting as Adjutant General, with rank of Captain, on Genl. Price's Staff.

The Lieut. Col^l in "Baze" Regiment having resigned, there is now a vacancy in that office - I desire you to fill that vacancy by the transfer and appointment of said Captain John Pound - I not only consider him worthy of the position and entitled to promotion, as he has been in the U. S. service for twenty four years, but I desire my Regiment to become efficient and therefore to have at once the advantage of his military knowledge.

I am General

Very Respectfully

Your obt. Servt.

was known only as a mustering

in fact something strange to me
for a mustering officer to
make use of any such language
as he could not be a Command-

what it meant, told him I had
authority from Gov. Bumble to
raise a Regiment, and that if the
authority given was to be ignored
I thought I ought to be notified
of the fact, he made some show
of excuse but not satisfactory.
I therefore appeal to you on
this subject to know what it

Sir.

I intended before you left the
city to have communicated with
you in person in reference to the
organization of State Troops in
and about Jefferson City.

Hoping you have liberally
enough to fully appreciate my
motives in plainly addressing you
in the manner I now do, proceed
trusting to our acquaintance for
the construction you may place
upon the communication,

Yours

Two months ago after my old
Regiment had been disbanded
by order of Genl Fremont I
concluded to lend whatever
influence and means I have
to the cause of organizing
State Troops. I entered upon
this duty with authority to raise
the Regiment. I found all the
prejudices of the regular soldi-
ery to contend with, including
a few disappointed office holders
in my old Regiment. This made
recruiting a slow & expensive
business. ~~Nevertheless~~ I pressed
the claims of necessity for their immediate
service, I got together about
two hundred and fifty men
under different recruiting left
claims of my old Regiment, but not
enough to reach the standards
for full Companies under Army
Regulations, about the time I
learned of a large number of
men about Sedalia and their place
on the line of Rail Road. I therefore
dispatched two recruiting officers
up the road at my individual
expense to bring these men in
by Companies. I succeeded in
bringing ⁱⁿ two full Companies and
enough over to have ~~some~~ ^{completely}
three Companies of three raised
about Jefferson City. But when they
left Stockton ~~leaving~~ I left
Carp Groves Companies not mustered
into service by Col Wood he
announced ~~that they were~~
now my men. I am your com-
manding officer, no one else
has any right to give you orders.
This course of procedure
caused all those not mustered
into service to refuse being mus-
tered into service, because they
affirmed they thought they were ~~not~~

I write you a very plain
but hurried letter. but I need
no reply, I have since learned
you did not receive the letter,

I asked in that letter
if any person had alleged charges
against me either of a private character
or as a military man. if so hoped
you would give me an opportunity
to refute any and all charges of
whatever character,

In conclusion I desire
to be distinctly understood as
writing not to ask to be retained
to office, but for the purpose
of asking that which is honorable
and that is an honorable re-
surrection of my reputation.

~~It is of charges made by my ^{unsubstantiated} ~~unsubstantiated~~~~
I served my country two
months and received no pay, I
made no complaints, but when
I was ordered out of camp
by finding Maj Coleman in

in full charge ignoring as
did Col Wood all claims
to men recruited I felt
it as ^{was} natural to human nature
I would not have cared
if I had been quietly informed
that there was a favorite
of some persons to reward
and that he had no capacity
of his own, to influence
recruits, and therefore would
place him in command of mine
I could have quietly ~~left~~
left Camp, for some other
field of operation, and
qualified command to
Maj Coleman. But this
was not the case. I was
ordered by Genl. McKane to
proceed to Lima ~~with~~
one company of my mounted
men & two companies of Iowa
Cavalry. Captured Martin Green

Quarter Master. one Lieut. &
dedly Sergt & seven privates when
out foraging, brought them in
but when I came in all my
troop were claimed by other
Commanders and we denied
any authority, and as good as
requested not to enter Camp.

Now Sir. I have plainly
narrated to you the manner
in which my services have
been disposed of. I have spent
considerable of time, and more
money than perhaps any other one
man in that section of the State
to further the cause of organizing
troops, and have reaped a
grateful reward.

Will you have the
goodness to explain the reasons &
cause of this treatment. I hope
you will not misconstrue my
frankness. I mean to be candid

and respectful, because I have
every reason as yet, to believe
that I am communicating
with a Censored, Conventions,
and frank Soldiers.

I am very respectfully

I learned this morning
that you were to be the

In this event of which
I now have no doubt, I
should feel greatly pleased

exert myself in organizing

Dec. 26th 1862.

My dear Sir,

Since I have engaged me my time in writing, and talking in my the important matters to give the State of Illinois, its position, and with some views of the progress the last few days.

I shot at the Illinois and influenced one Company of 9th men to come down to give my Regiment, afterwards a third followed me, I had two hundred and twenty add three recruited, but not sufficient to form full Companies, so we have been recruiting for Companies of 100 men each. I influence them to give to the order to make five Companies under the new arrangement for officers of the bar in Wisconsin, and one Company was mustered into service by Col. Ward, and immediately upon the Company being ordered their officers, it was increased.

to them. "You are never my men" I am
your come manding officer" no other
force has any right to give you orders

To this however I took no manner
of exception. However I have no regard
Complain from the Gov. but nearly
written authority in raising a Regiment
for the State Services but subsequent
expressions of Gov. would in reference to
my authority over the recruits which I have
spent so much time and consideration to

bring to pass created some suspicion that
there was some unfair combination
to deprive me of the fruits of my labors
I therefore issued an order an order for
detail, and Gov. would bid the more I
had no authority & to pay no attention

to the detail. This was so disrespectful
of a gentleman in office that I called
on Gov. would for his explanation
he gave me but not to me satisfactory
but it passed off. I was then advised by
Gov. to have the proceeds with. put in

my command and I was soon a happy
man. The Government stored & drew off
a party of Rebels who were nothing but
cattle, & some cattle, and returned with
no Rebels. In my return I paid 1000

in full Command of the District &
have raised for the services also done
under my authority to have authority to do
with them, now Sir in all respects will
you explain what this means & by the
policy to get me man to give through
the country, gather up troops, spend his
money & time, & thus doing have the privilege
of exercising a discretionary article,
I am aware that his advice to the agents of the
it is beyond the country, but he will be more
in the subject, and all persons act accordingly.

In consequence of this, I have to say
that if any charges exist against me I shall be
responsible, I know that a few more years
will go by, but I am against the whole complaints
and it was because they were arrested and put
in confinement for robbery, and plundering
through the country, & which I put in stop-
page immediately if any other charge is brought
against me, it is like my position and say I am
in this place and community to give me an
opportunity to meet them, ~~and that is all~~

Dear Sir,

Permit me to congratulate you as I do the people of the state upon your having been assigned the entire Command of the Militia for the entire Command. I hope to witness unity of action in effecting a speedy and permanent organization of all the able bodied men in the State. There is quite a number of men South and West of this place, ready for action if properly instructed in reference to the State Military organization, as proposed by the agreement between the Governor, and President of the U. S. The people feel but little confidence in any State organization owing to the changes of program and the failure of the Government to recognize and pay those who organized under the protection of the "Home Guard" system. These soldiers recognized, and liberally paid, would secure the speedy indictment of a large body of state troops, sufficient at least to occupy and hold the States in safety from the ravages of rebel

Coops.

then organized. I think a line of defense
-line operations should be established from
west of the Gasconade River near Holla, Lebanon
Rollins & some other suitable place between
the last mentioned ~~places~~ and the western
border of the State, from these posts the
enemy could be held in check or driven
back.

I suggested to Sir Sumner the propriety of
having a recruiting & mustering officer at
this place, I would like to have authority
to thus act in reference^s at least my own
Regiment, so that single recruits could be
permanently secured when enrolled.

I would ask also, that suitable
enlistment papers be forwarded immediately
to me. Can I receive and organize Com-
-drif men, who can furnish their own
Horses? Can I obtain suitable Cavalry Arms
for them? If so what kind?

Excuse any liberty of suggestions in reference
to military points,

very respectfully,

G. S. I organized some two hundred
men under Mr. Gambles call for six months
~~that~~ I did so in good faith, having been assured
by Gen. Fremont that owing to the great necessity
for men to leave at Jefferson City, that he would
soon, equip and have paid, a Regiment of
men who were to serve six months, under these
assurances they enlisted, and say they are unwilling
to agree to serve longer, I should feel much
better satisfied to have either a special order
to disband and pay them off for what time they
have served, or assurances that the Government
will agree to pay off the six months men
at the end of their enlistment, can anything be
done, please give early attention to this six
months men throughout the state, as I think
much dissatisfaction ^{exists} in reference to the change
having to look to the state for pay, and not the
U. S. Government.
